METHODOLOGY:

The sample size for the survey is 638 active voters taken from a listed sample of registered voters who voted in the 2010 or 2012 general election or registered since the 2012 general election. The margin of error is +/- 3.9%. 544 interviews were completed using automated telephone technology and 94 were conducted using mobile based survey technology. All interviews were conducted October 27-28, 2014 by Vox Populi Polling. The total percentages for responses may not equal 100% due to rounding.
